Key Ingredients

Daily Hydro-Drops:

- Vitamin B3
Vitamin B3 is a gold standard ingredient for soothing capabilities and is proven to diminish the appearance of fine lines and wrinkles over time.
- Abyssinian Oil and Hibiscus Oil
Hibiscus Oil and Abyssinian Oil are both rich in antioxidant phytosterols, omega-9 and omega-6 fatty acids that support skin's natural barrier.

Obagi Hydrate Luxe:

- Hydromanil
The Hydromanil matrix molecules hold in moisture and prevent water loss. This technology enhances your skin's appearance and texture by allowing the epidermis to remain hydrated and to retain moisture.

Science & Innovation

With a 30-year legacy of science and innovation, Obagi has led transformative research that has met the needs of every skin tone and type. We believe skin care is more than “correcting” or even “preventing,” it’s about unleashing your skin’s full potential. That’s why at Obagi we create inclusive products that support the diversity we all bring to the table. It’s about developing scientifically backed, clinical-quality formulations to promote healthy, future-facing skin.
